

After-School Activities: Spring Term 2014

7th January 2014

Dear Parents and Pupils,

Once again we are delighted to offer a wide selection of after-school activities to children attending The Breck Primary School. These activities will start during the week commencing 13th January, and run throughout the Spring Term.

All clubs will run from 3.30-4.15p.m with the exception of those led by Wyre SSP, which will run until 4.30pm. In the event of adverse weather your child will be looked after by the teacher responsible for that session. Please remember to pick your child up promptly at the stated finish time. I have listed the options available and the teacher in charge of each session in the table below.

Clubs for children in Year 1 and 2 will have a limited number of places. Please can you rank each club in terms of preference from 1 to 4. We hope that each child can be placed in their first choice of club, though this will be dependent on the response we receive.

Clubs for children in Years 3 to 6 only need to be ticked on the form. If any of these clubs are oversubscribed we will speak directly to the children it involves to clarify the arrangements.

Thank you

Mr.Hesketh
