Please note that all children aged 5 years and over are legally required to attend school for all sessions available.

If you decide to take your child on holiday during term time you should apply in writing to the Headteacher – leave will only be authorised in exceptional circumstances, this does not include parents working patterns.

Penalty notices can be applied for taking your child out of school during term time and **could incur a fine of £120 per child per parent for each occasion.**

Please try to arrange any medical and dental appointments at the end of the school day. Children are only expected to attend 190 days per year leaving 175 days for all other commitments. Attendance is monitored closely and reported to Lancashire County Council and the Department for Education termly. Children who are identified as persistent absentees will be referred to the Local Authority Attendance Consultant.

School Attendance correlates directly with children's achievements and progress in school and we encourage and celebrate good and outstanding attendance.
