

Friday 17<sup>th</sup> September 2021

**Dear Families,  
Market Garden next at Beck!!**

Year 5 children digging up some of our home grown produce.

Photos of our very own Monty and Alan hard at work in the school garden. Later this week we are going to heat up the potatoes then test different materials to see which ones insulate our spuds most effectively.

**Year 6  
Impressed.....**

It is so wonderful when any child comes to share great work with me but I felt I wanted to acknowledge how much progress Ava B has made since she joined our school. I was extremely impressed with the quality of her writing, her sentence structure and punctuation.  
Well done Ava

**Roadworks**

Please build in extra time for arrival and drop off at school. Skippool Road will be closed until the end of October 2021 which from experience we know will cause issues and a knock on effect for the traffic in all adjacent areas.

We are very keen to promote road safety and would ask that when you eventually arrive in the area that you park as safely as possible ***avoiding all zigzag lines and not parking over***

info@bblteachertraining.co.uk

***the neighbour's driveways nor blocking Breck Close by double parking on the dropped curb.***

**Please do not drop children off on the zigzag areas.**

**Once you have dropped off your children please vacate Fouldrey Avenue as soon as possible – this makes spaces for others and helps to clear the road - we are also experiencing a high volume of HGV's in the avenue which is causing a concern for the safety of very young children who are crossing the road.**

We are aware of the issues and we will work with our school community to ensure children arrive safely and are safely looked after at the end of the school day should you experience delays.

### **Stars of the Week**

Oak Class – Ruby W

Beech Class – Amber T

Elm Class – Ava H

Cedar Class(creative lab) – Hugo K

Maple Class – Theo A

Ash Class – Aya H

Rowan Class – Charlie H

Yew Class – Lexie S-B & Alex K

### **Beanies**

#### **Polite reminder**

Beanies families are asked not to enter Beanies outdoor area prior to 8.40am. A staff member will come out and open the gate to let families access the provision.

### **School Uniform**

Please note that our school uniform supplier is Price and Buckland and all uniform must be ordered on line from them – they can take up to 4 weeks to deliver.

<https://www.pbuniform-online.co.uk/breckprimary>

### **Covid**

**We are experiencing an increase in positive cases from the children on roll at school. If your child is unwell in school and we believe them to potentially be suffering symptoms we will contact families to collect their child and their close contacts for a PCR test. If results are negative the child may return to school.**

**If your child is displaying symptoms at home and they have other siblings in school we would strongly urge you to have all family members undertake a PCR test.**

**We understand that this is guidance however we are keen not to move to our contingency risk assessment which includes returning to bubbles/closure of bubbles/closure of our extended services etc. Worst case scenario is total closure of the school and moving to online learning should we meet the threshold of 10% of our school population.**

**We are extremely grateful to those parents who are supporting our requests and working with us to ensure we can maintain full school openings.**

Please remember should your child test positive for Covid that you should notify school as soon as possible via the email address [bursar@breck.lancs.sch.uk](mailto:bursar@breck.lancs.sch.uk) with a screen shot of the notification from NHS Test and Trace.

Any child who is self isolating due to a positive result will be provided with online learning via our SeeSaw app. If you need a code then please contact the school office.

Kind regards  
Mrs C Brindle  
Headteacher

## SCHOOL BASED TEACHER TRAINING

**About us**

BBL Teacher Training is a school based teacher training provider working with a number of partner schools across Lancashire.

We offer an exceptional and innovative one year training programme that gives trainees the skills and experience required to become a highly effective, fully qualified teacher.

We have vacancies for September 2021 in Early Years, Primary and Primary with SEND.

For more information including eligibility please contact us.
