

Friday 24th September 2021

Dear Families,

We are well into the term. KS1 children have had lots of sessions with Mrs Fielding and Miss O'Toole learning playground games. Miss O'Toole supports all years groups in playing their games at lunchtimes.

KS2 children are all working hard, there is a wonderful buzz around school – happiness!

Bronze Award

Congratulations to Ted M from Maple Class, Year 3, who received his final merit to achieve his bronze award for some super math's work. The staff and I are not surprised that Ted has reached his first goal of 100 merits, he always works hard. Well done Ted

Clubs for KS2 children

Thank you for responding to the online questionnaire - all activities have now been allocated and some groups are at full capacity.

You will be notified via a second email address which activity your child has been allocated and the classroom door for them to be collected from at 4.30 pm. This email will also detail any additional equipment required eg shin pads, football boots etc.

In addition to PE days we are asking for all KS2 children to attend school on a Wednesday in their PE Kit - T-shirts/shorts and/or black joggers with their PE Hoodie or their Breck School sweatshirt/cardigan and their sports trainers. If additional equipment is needed for your child's chosen activity then this can be brought into school in their drawstring PE bag which will cut down on the amount of equipment needed to be brought into school.

PE bags are available to purchase on our school uniform website. Please do not send children into school with ruck sacks/back packs etc.

If you are choosing to opt for a different activity than the one which has been allocated then please send an email to bursar@breck.lancs.sch.uk and we will try our best to accommodate changes however we cannot promise that we will be able to do so. We will respond to all requests by Monday of next week.

If your child attends after school club, they will go to the after school club at the end of their activity to be collected as normal from the after school club team.

Stars of the Week

Oak Class – Faye S

Beech Class – Xzanda P-B

Elm Class – Rowan T & Teddy M

Cedar Class – William S & Jack K

Maple Class – Alistair H & George D

Ash Class – Myles B & Maisie C

Rowan Class – Lily M

Yew Class – Evelyn M & Evelyn J

Sweets and party invites

If your child has a birthday on a school day the staff in class will ensure they have a lovely day. We are a 'Healthy School' so would very much appreciate if party treats are given out at home. Invitations should be distributed by either you or your child, the school staff are unable to facilitate this.

School Uniform

Please note that our school uniform supplier is Price and Buckland and all uniform must be ordered on line from them – they can take up to 4 weeks to deliver.

Covid

There is a small outbreak of Covid-19 - we are continuing with guidance from NHS/PHE and the Department of Education with regard to enhanced cleaning routines and regular hand washing and "Catch it, Bin it, Kill it" for coughs and sneezes. If your child is unwell in school and we believe them to potentially be suffering symptoms we will contact families to collect their child and their close contacts for a PCR test. If results are negative the child may return to school. If your child is displaying symptoms at home and they have other siblings in school we would strongly urge you to have all family members undertake a PCR test.

We understand that this is guidance however we are keen not to move to our contingency risk assessment which includes returning to bubbles/closure of bubbles/closure of our extended services etc. Worst case scenario is total closure of the school and moving to

online learning should we meet the threshold of 10% of our school population.

We are extremely grateful to those parents who are supporting our requests and working with us to ensure we can maintain full school openings.

Please remember should your child test positive for Covid that you should notify school as soon as possible via the email address bursar@breck.lancs.sch.uk with a screen shot of the notification from NHS Test and Trace.

Any child who is self isolating due to a positive result will be provided with online learning via our SeeSaw app. If you need a code then please contact the school office.

Flu Vaccinations

Separate information was sent out last week to all families with children in Reception to Year 6 – please respond to the Flu Vaccination team direct – our allocated day is the 17th November 2021 for the team to come to school. They are responsible for all administration and will answer any questions you may have.

Kind regards
Mrs C Brindle
Headteacher

SCHOOL BASED TEACHER TRAINING

About us

BBL Teacher Training is a school based teacher training provider working with a number of partner schools across Lancashire.

We offer an exceptional and innovative one year training programme that gives trainees the skills and experience required to become a highly effective, fully qualified teacher.

We have vacancies for September 2021 in Early Years, Primary and Primary with SEND.

For more information including eligibility please contact us.
