Bronze Award

I was delighted when on Thursday morning Eryn came to see me asking for her Bronze Award.

Eryn has always been a Breck model pupil. She works so hard, she is a good friend, she is thoughtful and kind and I was not surprised that she had reached the goal of 100 merits for her Bronze Award,

We are all so proud of her.

Well done Eryn.

Bronze Award

Joey from Yew Class is having a fabulous year in Year 6 with Mrs Churchouse and Miss Chapman. Not only is he working hard in his lessons but has taken his leadership role very seriously and is a wonderful role model for all Breck pupils – Well done Joey.

School Uniform

Please note that our school uniform supplier is Price and Buckland and all branded uniform can only be ordered on line from them – they can take up to 4 weeks to deliver.

<https://www.pbuniform-online.co.uk/breckprimary>

Pieces of generic uniform generally available from high street stores and supermarkets are accepted so long as the school colour scheme is followed.

Kind regards
Mrs C Brindle
Headteacher

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.
